

## **Grandchildren Confession**

Thank You Jesus for my grandchildren. Thank You for blessing them and making them to be a blessing.

Great is the peace of my grandchildren for they are taught of the Lord. The angels of God always protect and safeguard my grandchildren from all evil, all harm, and all accidents. Jesus is Lord of my grandchildren!

My grandchildren are disciples of the Lord Jesus. They are growing in wisdom and favor with God and man. They are happy, healthy, and obedient. They love God and His Word. They love to pray and worship God. They are full of love, joy, and faith in God. They are growing strong spiritually, mentally, and physically. They are accurate, thorough, and diligent in their work. They are patient, kind, and loving to others. They walk in love.

My grandchildren heed their parent's instruction and obey their parents in all things. My grandchildren honor their father and mother, so it will be well with them and they will live long on the earth.

Thank You Lord for guiding their parents and giving them wisdom, understanding, and courage to discipline my grandchildren and train them in the way they should go. Thank You that my grandchildren will never depart from You.

Thank You Lord for guiding my grandchildren in all they do.

Lord, please prepare for my grandchildren and guide them to spouses who will be just right for them according to Your perfect will.

I plead the blood of Jesus over all my descendants, in Jesus' Name. Thank You Lord for pouring Your Spirit on all my descendants and Your blessing on my offspring.
