Good News!

God, the Creator of all, is not mad at you. He has forgiven you. He is for you — not against you. God loves *you*.

God has invited you to join His family and live forever with Him. As Jesus Christ of Nazareth, He personally brought your invitation to earth.

Now, you must accept

or reject God's invitation. Accept it by receiving Jesus Christ, God's gift to you. Reject it by refusing to receive Jesus Christ.

When you receive Jesus Christ, He gives you new life deep inside you. You become new on the inside.

God has a wonderful, eternal plan for you. You can trust Him because He proved His love for you

When you receive Jesus Christ, He gives you new life deep inside you. You become new on the inside.

God has a wonderful, eternal plan for you. You can trust Him because He proved His love for you

by dying as your substitute. He suffered what you deserve because of your sins.

God is holy and hates all sin. Sin hurts people and separates them from God. All people have sinned.

God loved you so much that He made a just way to forgive you and free you from your sins. He did this by Himself suf-

fering the penalty for your sins.

Jesus Christ is alive!
He did die, and was buried — but, He rose from death. One day He will return to rule over all the earth.

Put your life in His hands. Receive Jesus now. Call on Him and invite Him to be your Lord forever.

Please write us of your

decision to accept God's invitation to join His family by receiving Jesus Christ as your Lord.

More information about the new life you have just begun, will be sent to you free.
