

Pray For World Leaders

- God will guide our leaders in wisdom and compassion.
- Leaders will govern in mercy and truth.
- Leaders who despise God will fall from power.
- Decisions against the Gospel of Christ will be brought to confusion and made ineffective.
- Leaders who are in spiritual darkness will receive God's truth.
- Leaders will desire understanding and find it in God's Word.
- Leaders living in war-torn nations will grow weary of bloodshed and desire peace and rest.
- Corrupt leaders will recognize their evil ways and repent, or else be removed from office.

Pray For The Media

- All the people of authority in the communications media would be drawn to God and His truth.
- They would report the news fairly, including the good news of God's work.
- Christians would have favor in their sight.
- They would understand what is really happening, and have the courage to report it truthfully.
- The promotion of godly people to positions of authority and influence in the media industry.
- Media people of morality and integrity who are not swayed by money or ungodly pressure groups.
- Free and fair communications media that proclaim the full truth.

Pray For Schools

- The students, teachers, administrators, and school boards, that they would hunger to know God.
- Those responsible for writing and choosing textbooks.
- God's protection of our Christian schools and home schools from government harassment.
- A holy, spiritual awakening in our high schools and colleges.
