

You are special to God. And you are special to me.

You are an original! No one on earth is exactly like you. You are unique and valuable.

You were worth so much to God that He was *willing to die* to redeem you, so you could be in His family.

He died so *you* could be free.

How much are you worth? The only way to answer that would be to put a value on Jesus Christ Himself — because He gave Himself for *you*.

God desires genuine love — just

You are special to God. And you are special to me.

God desires genuine love — just

like you do — and not something forced, so He gives you freedom to accept Him or reject Him.

Whatever you decide, always remember that *God loves you*. He proved it by dying to set you free.

Other people may not think much of you, but God thinks you are extremely valuable.

You may think God couldn't love you because of all the bad things you have done — but He does!

God does not love you because of what you do, or don't do. He loves you because He created you.

You are God's work of art — a unique creation unlike any other person who has ever lived.

You may not even love yourself — but God loves you.

You may feel alone, forgotten, and forsaken. But, you are not!

God has been watching over you *all* the time, helping you as much as you would *allow* Him.

But, the only way to receive the full benefit of God's love, and His sacrifice for you, is to “open the door” to Jesus Christ. You must *invite Him* into your life.
